Mission Statement: Developing within each child the character of Christ in a challenging educational environment based on a Biblical worldview.

Procedure for Winter Storm Emergencies: We follow the Watertown Public School, they make the decision prior to 6:30 am if school will be held, or if there is a late start.

Storm during the school day; in case of school closure because of inclement weather, we will use our remind system, facebook, and phone calls (if needed) to inform families.

Please look to our remind system, local radio, TV stations, our Facebook page, and our website (watertownchristianschool.com) for weather related announcements.
